

PARK CITY LOCK & KEY IS OPEN!

The lock shop is currently operating through our innovative walk-up window, Mon-Fri 9-5. The mobile vans are available for onsite service calls, please call 435-649-6069 to schedule. The hardware showroom is open by appointment Mon-Fri 9-5, please call 435-649-0020.

SAFETY IS OUR TOP PRIORITY

Assuring customer and staff safety is our #1 priority. We have remained open as an essential business and have been proactive and conscientious in the defense against COVID-19. We are well versed on how to prevent the spread and take every precaution to do. We provide a sanitary service, implementing CDC protocols and following the current Summit County Order. The lock shop, mobile vans and showroom are cleaned throughout the day and stocked with disinfecting wipes, disinfecting spray & hand sanitizer- and we log our rigorous cleaning routine. Staff are checked for symptoms each day and wear gloves, masks and booties, while practicing physical distancing and frequent 20-second hand washing.

Together we will get through this! Stay Safe! Stay Healthy!

Keeping Summit County Secure since 1979.
